Job Description for Plumber Helper

Responsible for assisting plumber at homes and residences. Helps install, repair, and maintain pipes used for water distribution and wastewater disposal.

Main Job Tasks and Responsibilities

- Assist in installing and maintaining plumbing systems.
- Determine water supply networks and waste drainage systems.
- Coordinate with master plumber/sr. plumber on installation.
- Install systems used to transport water, waste, gases, or liquid.
- Ensure legislation and policies are met and that systems are up to code.
- Ensure systems meet all standards of building codes and safety.
- Cut openings in structures in preparation for pipes.
- Select all materials needed for installation including type and size of pipe.
- Install supports and hangers for pipe, fixtures and equipment.
- Assemble and install valves and fittings.
- Assemble pipe sections, tubing and fittings, using couplings, clamps, screws, bolts, cement, plastic solvent, caulking, soldering, brazing and welding equipment.
- Install other plumbing equipment, such as sinks, tubs, toilets, water heaters, air conditioners appliances, and trim.
- Measure, cut, thread, and bend pipe to required angle.
- Observe pressure gauges to fix leaks.
- Test pipe systems and fix leaks.
- Open clogged drains.
- Repair and maintain water treatment equipment.
- Perform scheduled maintenance.
- Ensure all installations, repairs and maintenance are properly sized, aligned, supported and grade.
- Keep records of work assignments.
- Take before and after pictures of each project.
- Operation of a company vehicle may be expected.
- Your daily tasks will include, but not be limited to, digging, carrying pipe, tools and equipment.
- Other duties as assigned.

Education and Experience

- High School Diploma or equivalent.
- Previous experience may be requested but this can also be entry level position.
- Competent computer skills including MS Office or equivalent.
- Internet skills including use of e-mails, group messaging and data collection.

Qualifications

- Must have clean driving record and be able to successfully pass a drug test and criminal background check.
- Must reside in the City of Atlanta or Fulton County CDIA (Community Development Impact Area).

Key Competencies

- Organization and planning skills
- Work management and prioritizing skills
- Verbal and written communication skills
- Problem solving ability
- Attention to detail
- Accuracy, flexibility, reliability and teamwork
